DISCLOSURE

The owner of the life insurance policy to be viaticated, the viator, should be aware of the following:

1. That there are possible alternatives to viatical settlement contracts for individuals with catastrophic, life-threatening or chronic illnesses, including any accelerated death benefits offered under the viator's life insurance policy.
2. That some or all of proceeds of the viatical settlement may be free from federal income tax and from state franchise and income taxes, and that assistance should be sought from a professional tax advisor.
3. That proceeds of the viatical settlement may be subject to the claims of creditors.
4. That receipt of the proceeds of a viatical settlement may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and that advice should be obtained from the appropriate government agencies.
5. The viatical settlement provider company, not the viator, may compensate LIS based on a formula that is a percentage of the face value of the life insurance policy. For example, compensation for a \$100,000 policy could be: $8\% \times \$100,000$ (face value) = \$8,000.00
6. That the viator has the right to rescind a viatical settlement contract 15 calendar days after the receipt of the viatical settlement proceeds by the viator, as provided by Delaware law.
7. Funds will be sent to the viator within 2 business days after the viatical settlement provider has received the insurer or group administrator's acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated pursuant to the viatical settlement contract.
8. Entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator, and that assistance should be sought from a financial adviser.
